

The MGH Research Safety Committee invites you to

Laboratory Spring Cleaning Days

Here is your chance to get rid of unwanted clutter in your lab!!!

June 13th Building 114 Lobby

June 14th Simches Conference Room 3130

June 15th Building 149 West Lobby

June 16th Thier (right-hand) Side of the Tent on the Bulfinch Patio

10:00 am to 2:00 pm each day

Work with representatives from Safety, Research Management, B & G, and Environmental Services to schedule pickups of **Chemicals and Old Equipment** during the day.

Recycle bins will be at various locations for **old supplies, cardboard**, etc.

Bring your **old computers** to us for immediate recycling.

Schedule a time to **defrost your freezer** and discard old material.

Other recycling information will be provided at information tables.

We will serve refreshments to all participants.

Sign in at tables to become eligible for raffle to win \$25 cafeteria gift certificates.
